Subject: Join me/us at EHiN Future Health 2016!

Hello *name/company*,

This year I am/we are participating at Norway's major e-health conference, EHiN Future Health 2016 (15-16th November 2016), as *your choice*. We are joining this as it is a great arena for showcasing new technology within the health sector, as well as having great discussion with representatives from both politics and the industry.

EHiN Future Health 2016 is organized with the support of the IT sector as well as the public health sector. Project owners are [IKT-Norge](#) and [NSE](#). There will be a broad group of partners from the health care sector and an extended participation from the industry through sponsorship.

I am sending you this e-mail hoping that you want to join us at this conference, and if so I/we recommend that you check out their [website](#) in addition to their [registration site](#).

Kind regards,
